Sounds great. I'll send a Google Calendar invite to you both with the web-conference links. Please accept it at your convenience, and feel free to invite anyone else to the call.

Let me know if you have any questions.

Looking forward to speaking with you both.

Best,
Aviv

Hello Mr. Heredia,

I am following up on a voicemail I recently left you regarding your interest in Veritone's facial recognition solution.

How does your schedule look next week for a 20-30 minute call? I can explain the platform further, and answer any questions you have.

Let me know when works best for you, and I can send a calendar invite.

Thanks,
Aviv
